

Randy Mudge, M.D.

Medical Director
Radiation Oncology
The Cancer Care Center
Battle Creek Health System
300 North Avenue
Battle Creek, MI 49017

Prior to joining The Cancer Care Center in September 2002, **Randy Mudge, M.D.** was medical director and attending radiation oncologist at Douglas County Hospital in Alexandria, Minnesota from 1998 to 2002. He also served as attending radiation oncologist at St. Joseph Mercy Hospital in Pontiac, Michigan from 1995 to 1998.

Dr. Mudge received his undergraduate degree in biology from Adrian College summa cum laude. He then received his medical degree from the University of Michigan Medical School.

He completed his transitional residency at Oakwood Hospital in Dearborn, Michigan and his radiation oncology residency at Loyola University Medical Center in Maywood, Illinois. He has served on or chaired a number of hospital committees in oncology, cancer, and performance improvement/risk management.

Dr. Mudge has published his research under the titles of *Totally Resected Cancer of the Pancreas and Biliary Tree, Treatment and Results*; and *Visual Perception Abnormalities in Alzheimer's Disease*.

He is board certified in Radiation Oncology; a Diplomate of the National Board of Medical Examiners; and is a member of the American Society of Therapeutic Radiology and Oncology, American College of Radiation Oncology, and Radiologic Society of North America.

Dr. Mudge holds licensures in Michigan and Minnesota.

Battle Creek Health System, accredited by the Joint Commission of the Accreditation of Healthcare Organizations, provides excellence in health care and wellness for the whole person through teamwork, with access and compassion for all.
